Summary: i strange transmission intercepted by unsc forces during the second invasion of earth.

intercepted transmission325

****intercepted transmission#3-25 ****

****date:November 15, 2552**

> intercept time: 1730

****transmission begins****

_this is the end

> i have walked the path
 that is set in stone

> the two became one
 now the one becomes none

> my time has come
 and as i walk to my destiny

> i remember what i have done
 my life laid bare before me

> i see what i was
 what i am

> and what i will be

_i see who i have seen

> all gone
 in the white light

> i see all now
 the last has returned

> i see what i must do
 and i do not back away

> i embrace my death
 as it is all that remains_

****transmission**

ends**

i know this isnt really a story but it is something i wrote a while ago and decided to put up.

it was a bit of advertising for the final part of my halo trilogy. (i

will post it soon)

End
file.
